Sir,

The application of John Arthur Mathews, Chief Engineer, The Nundydroog Co., Ld., Oorgaum, for an order for the registration of a design under Part II of the Mysore Inventions & Designs Regulation 1894.

1. The applicant claims to be the proprietor of the design of which the nature is herewith stated.

2. To the best of his information and belief, that design is within the meaning of Part II of the Mysore Inventions & Designs Regulation, 1894, a new and original design not previously published in the Territories of Mysore.

3. Four copies of i.e. tracings of the design accompany this application.

4. The following is a statement of the nature of the design :-

Which is a combination of W.I. or steel pipes,

N.B. Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

concrete, ropes or other reinforcement, as shewn on accompanying tracings, for use underground in mines and to supercede timber, as pit props, "stulls", girders &c. The design permits of essential parts of the props &c. being made on the surface and transported underground without damage, the said parts being capable of assembly underground and where necessary, removed to other positions. The design is of great strength and will add materially to the safety of the mine and employees where heavy ground has to be supported.

The accompanying drawings will explain the nature in detail of the design.

5. The applicant therefore applies for an order for the registration of the design pursuant to Part II of the Mysore Inventions & Designs Regulation, 1894.

GENERAL DEPARTMENT.

Register No. 7 of 1919-20

Bangalore, the 18/12/1919.

WHEREAS an application, dated the 24th October 1919 and received on the 25th October 1919., has been submitted under Section 50, Part II of the Mysore Inventions and Designs Regulation, 1894, by Mr. J. A. Mathews, Chief Engineer, The Nandydroog Co. Ltd. Oorgaum

(hereinafter referred to as "the applicant") for ~~leave to file a specification~~ the registration of ~~an~~ design ~~invention for~~ of pit prop "Shells" for use underground in mines to supersede timber,

And whereas the applicant has duly complied with all the requirements of Section 51 of the said Regulation;

The Government of Mysore are pleased, under Section 51, Part II ~~6~~ of the said Regulation, to order the registration ~~to authorize the applicant to file a specification~~ of the said design ~~invention~~ in accordance with the provisions of the said Regulation.

ORDERED, that the applicant be, and he is hereby, informed accordingly.

By Order of the Government of Mysore,

9.12.19

6/12

for Chief Secretary to the Govt. of Mysore,
~~General Department.~~

Certified that the fees prescribed in the fourth schedule to the Mysore Inventions and Designs Regulation, 1894, in respect of the application for leave to file the said specification and of the filing thereof have been paid by the applicant, and that the specification hereinbefore described has been duly filed in accordance with the provisions of Section 8 of the said Regulation on this the ..... day of 19

11/12

~~Secretary to the Govt. of Mysore,~~
~~General Department.~~

(Section 8 of the Inventions and Designs Regulation, 1894.)

8. (1) If within six months from the date of an order under Section 6, Sub-Section (1), or within such further time, not exceeding three months, as the Government of Mysore, in its discretion, may, on cause shown to its satisfaction and on payment of the fee prescribed in that behalf in the fourth schedule, see fit to allow, the applicant causes a specification of his invention to be filed in manner by this Part required, and the fee prescribed in the fourth schedule in respect of the filing of the specification to be paid, the applicant shall, subject to the other provisions of this Part, be entitled to the exclusive privilege of making, selling and using the invention in the Territories of Mysore, and of authorizing others so to do, for a term of fourteen years from the date of the filing of the specification.

(2) But an exclusive privilege in respect of an invention of a new manufacture shall, notwithstanding anything in Sub-Section (1), cease, if the inventor fails to pay, within the time limited in that behalf by the fourth schedule, any fee prescribed in that schedule in respect of the continuance of the privilege.

(3) If, nevertheless, in any case, by accident, mistake, or inadvertence, an inventor fails to pay any such fee within the time so limited, he may apply to the Government of Mysore for an enlargement of the time for making the payment.

(4) Thereupon the Government of Mysore may enlarge the time accordingly, on payment of the fee prescribed in that behalf in the fourth schedule, and subject to the following conditions, namely :--

(*a*) the time for making a payment shall not in any case be enlarged for more than three months ; and

(*b*) if any suit is instituted in respect of an infringement of the exclusive privilege committed after a failure to make a payment within the time limited for the making thereof and before the enlargement of that time, the Court disposing of the suit may, if it thinks fit, refuse to award or give any damages in respect of the infringement.
